DISTRICT GOVERNOR

PETER J. ROMANI

Fellow Lions:

Our International President Lion Joseph M. Mc Loughlin has presented us his theme "Lionism — people caring for people." As your District Governor I pledge myself through the help of my Cabinet Officers and the Lions of 43 clubs of District 20-E2 to foster that theme.

I am confident that at the conclusion of this year 1977 - 1978 I can say that we Lions of District 20-E2 extended service to the people of our communities who needed help and we are "Lions who care." Let us begin the year caring.

Yours in Lionism,

Peter J. Romani
District Governor
