DISTRICT GOVERNOR

JOHN C. PALMER

GEORGE M. HUNT

Your cabinet, committee chairmen and I pledge our support to the Lions Clubs of District 20-E2 in carrying out the theme of our International President Ralph J. Lynam - "Love, Compassion, Spirit in Action."

We shall implement the President's projects on hearing and speech along with our present service to sight conservation. I would also like your support for the Diabetic Retinopathy Clinic at St. Joseph's Hospital in Elmira. If we find one person who is diabetic and can prevent him from going blind, we will have performed a great service.

Sincerely yours in Lionism,

John C. Palmer
